

# {CODE\_SPACE}

Doug Hogg - ACM President  
John Okleberry - Vice President  
Art Aguila - Treasurer

Alan Morgan - Code Space Guy  
Joshua Pattullo - Some Important Position

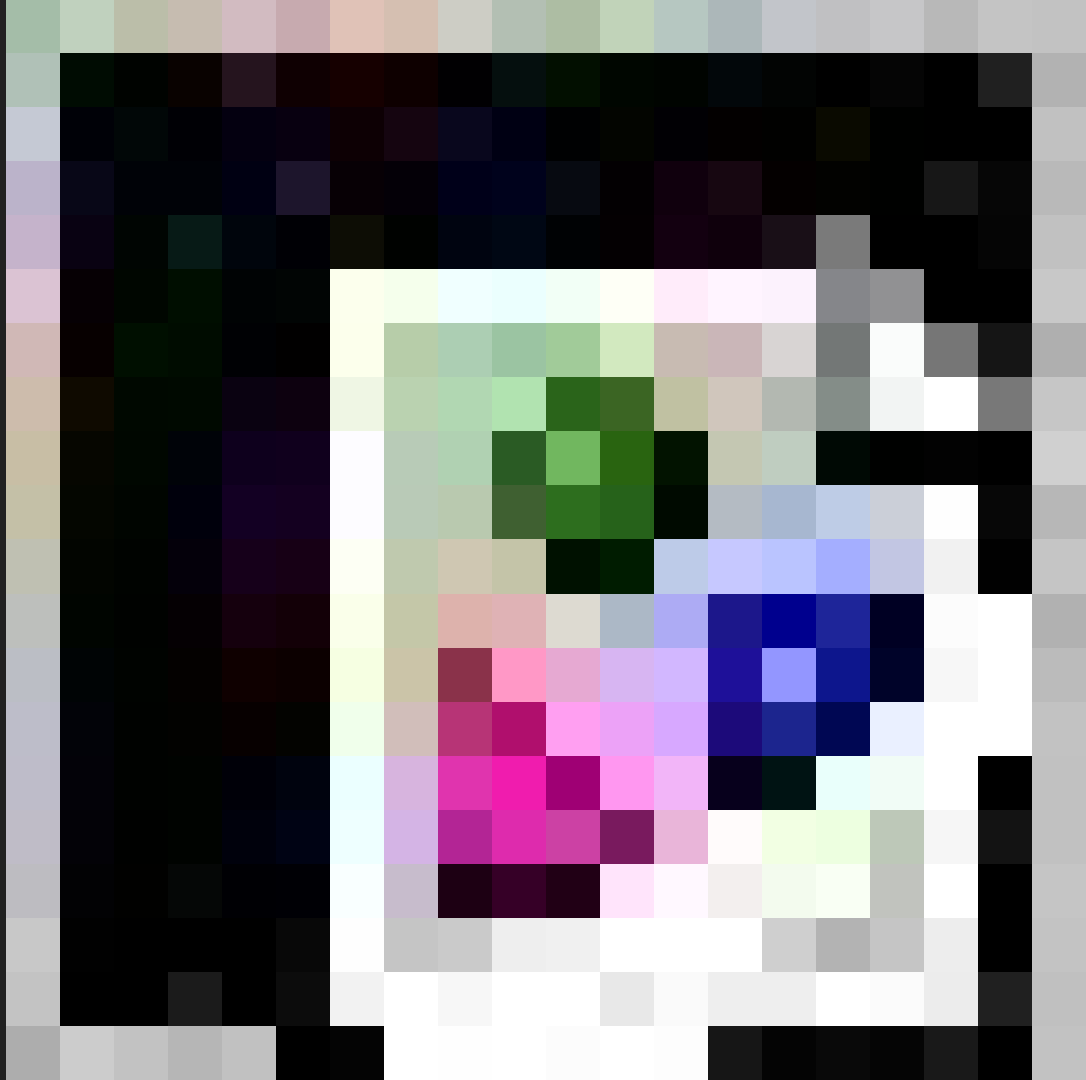

I think he is in some media position. And there might be someone else in leadership. I can't remember.

# What is it?

A time to:

- **CODE!**
- **COLLABORATE!**
- **HAVE FUN!**

A time to have fun coding and collaborating and coding.

coding != boring

programmer joke:

!false

It's funny  
because it's true

```
// life motto  
if (sad() === true) {  
  sad().stop();  
  beAwesome();  
}
```

Coding is uplifting!

# CODING

**IT MAY BE THE CLOSEST THING  
WE HAVE TO A SUPERPOWER**

Math is logical.

Math is practical.

Math is magical.

PROGRAMMERS ENGINEERS UNICORNS

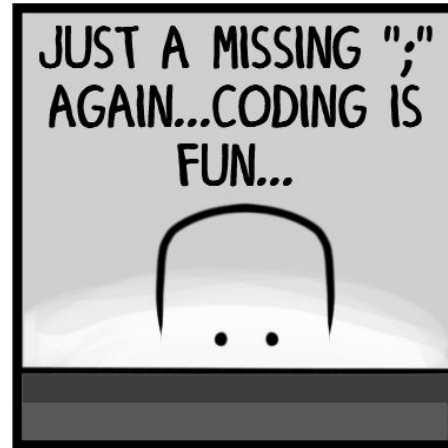

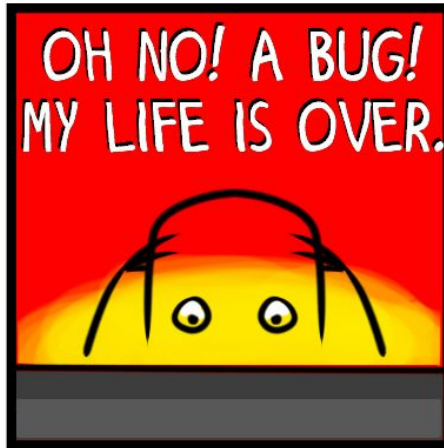

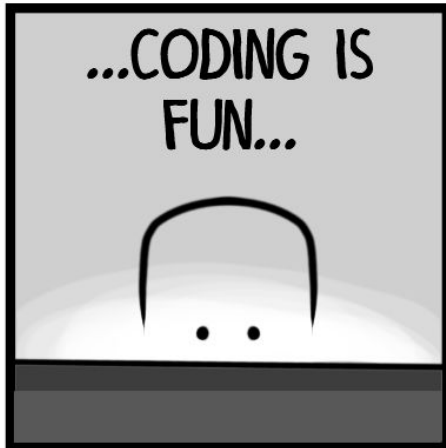

**Coding is Educational!**

Math is too, I guess.

Coding is fun!!!!
